Manuscript reference: «175»
Title: Assessment of wind power penetration level in distribution network with consideration of static, motor and composite loads

Author(s): Saidi Abdelaziz, Kilani Khadija, Elleuch Mohamed

Dear Author(s),

I have pleasure in informing you that the Program Committee has accepted your above referenced paper to be presented Orally at the Fifth International Renewable Energy Congress “IREC 2014”.

This letter is only provisional since the paper won’t be published unless at least one of the authors registers and attends the congress.

On behalf of the Program Committee, I would like to thank you for your submission and I invite you to attend the congress on March 25 – 27, 2014 in Hammamet-Tunisia in order to present your paper according to the schedule that will be published later on the congress web site. Accommodation will be at Méhari Hotel.

Please consult our website on a regular basis for more details: www.irec-conference.com

Sincerely,

The Chairman

Prof. Maher CHAABENE
